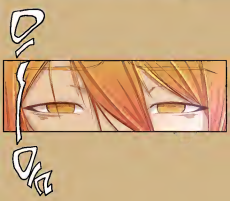
AHAROO

Vol. 2

the beginning of the journey



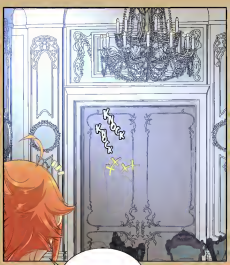
I was certain...
With Reomi noona I was
...

Having a cup of tea with her... And we talked about the old days...

There's a chance that the bloodline of our household could end up disappearing at this rate...

So please, I hope you will understand the actions of this noona for today...

What did she mean by that...



Yes!

Master Aharoo, did you sleep well?

Yeah!
Hannya, did you sleep well too?

Yes!
Thanks to you master Aharon, we are receiving an overwhelming amount of care and service.

I see,
that's a relief then.
Hahaha

Baron Cavallia is calling for you.

Okay, I understand.
I'll get ready right away.

...

Master... Aharon...
Last night, per chance did you...

Hmm?

EARLY MORNING THE DAY BEFORE

Ah Hook...
I can't believe that the little troublemaker kid... Eah Hook...
In no time... Came back as... Such a wonderful... Ahng... Man...

Good morning, Ms. Resoni.
Mmm... Aharoo's "ancula", Hamiga right?

Did you sleep well?
Yes, thanks to your family, we are receiving an overwhelming amount of service. Thank you.
If you are part of Aharoo's family then you are pretty much considered part of our family as well, so please don't mention it.

Good morning, uncle Cavallia.

Oh~ Aharoa, welcome~

Well then! When are you planning on leaving for Habardo?

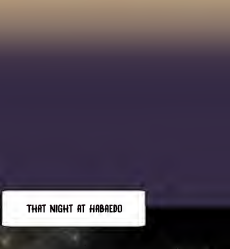
Mmm.. I feel like I've somewhat recovered by now and I think my party is feeling much better as well. So I think it may be time for us to start heading out now, haha.

I see. I had a messenger dispatched right after you got here and ordered him to relay a message over to your family that you were here. It will probably get there by tomorrow. I'm sure that your parents will be thrilled to see you.

For me, I would prefer it if you would stay in Aparim for a wh-ile longer, Aharoo...
Hahaha

But I'm sure that your parents at Habaedo will want to see you much more than I do.. Disappointing but please go ahead and make your way out as you see fit.

Yes! Thank you uncle. I will come visit you again as soon as possible.



THAT NIGHT AT HABAEDO

What? Aharoo has arrived at Aparim?

Yes, that is correct. He is currently recovering his condition over at Aparim because he was attacked by a bear within the Tessely mountains.
He will probably make his way over here in the near future.

Attacked by a bear...? I see, did he sustain a lot of injuries?
Yes, sir Aharoo was –
IT'S AN AMBUSH!!

!!

What in the... Exactly what is going on here?!!

My lord!! We are under attach by Carlosh's order from the Duke of Lehmann!!

Our forces have all been nearly annihilated because of this surprise attach. They are charging their way toward our castle with an unstoppable force. You must evacuate immediately!!

The Duke of Lehmann? The man who kidnapped away Carne and Carso? Why in the world are they intruding their way into here?!

I was informed that sir Aharoo encountered a battle with the knights of Earlosh at Lyunya. Could it be... That they are...

What? Aharoo did? Why? With those guys... ?!

Father!! Rather than worry about what your youngest son has done, the matter of utmost urgency at the moment is what's going on here at Habaado right now.

For starters, I shall head out and speak with Earlosh's order.

Father, mother, please hurry and evacuate from here!

Amiran...

I am the eldest son, DiPrio de Amiran, of his majesty of Habaedo, DiPrio de Lyman!

Why is the order of the empire causing such an outrageous atrocity like this? I demand that you explain yourself!!

I am the captain of Carlosh's order from the empire of Daroon, "Fersen".

My reason for being here is because I received intelligence that a fellow named Aharoo and his female companion are here.

...

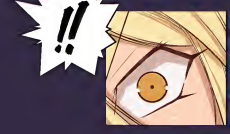
Aharoo's companion...? Sir Aharoo is leading around with some other female as companion like... I need to bring you to Aharoo, Agustin of Tiki!

Bring me Aharoo and his female companion at once! If not, then we shall dispose of your family, your citizens, and we will wipe off Habaedo from all maps.

To think, that a mere soldier from the empire would pull out his sword against an aristocrat. I cannot just let this dishonor go by!!

I demand that you bring forth a proper royal decree!!

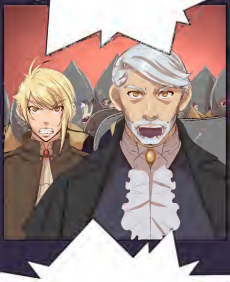
If you don't, then I will...



Amiran... We cannot afford for anymore casualties to take place!

Father?!

I am the feudal lord of the Habaedo province, Lyman.



Why are the soldiers from the empire trying to locate my youngest son, Aharoo?! Also, what do you mean by female companion?!

The woman is a traitor to the empire! Aharoo is responsible for hiding her away and for having drawn an opposition to the empire's wishes!!

There is no way that this can be true!! Also, Aharoo currently does not reside here, so we have no way of knowing what you are talking about when you mention a female companion!

Shut it! You dare to go against the order of the empire?

Aharoo is a mere young'un who has just recently graduated from the knights' academy!

How dare you just go and slaughter this land's citizens so ruthlessly?!

Your people were already considered dead meat the second I lost my family members.
